

## PRINTING ENVELOPES

It is sometimes difficult to achieve the result you want using a standard envelope. If you want to give your posted item more impact than that of your competitor, tailor-made envelopes offer a solution.

We can deliver envelopes in non-standard sizes. But also with unique printing of your images, logo and texts. We can print envelopes from just 100 pieces. Do you want a small print run of printed envelopes? We also offer a solution for this!

## PRINTING TECHNIQUES

The following printing techniques are used for printing envelopes:

- ◇ Offset (paper)
- ◇ Digital printing (paper and plastic)
- ◇ Hotfoil printing (plastic)
- ◇ Flexo printing (plastic)
- ◇ Rotogravure printing (plastic)

## DIRECT MAIL / FULFILMENT

As a commercial organisation, we are more aware than most of what the impact of direct mail can be. In recent years, we have seen a shift from printed media to digital media. We are now mainly seeing a combination of both media.

In addition to everything involved with traditional direct mail, we can also realise additional wishes. We package (automatically or by hand) gadgets and other products daily, often in combination with direct mail.
